

Arrowhead Architectural Committee

April 15, 2008

In attendance: Adam Kral, Terry Moore, Holly Bristol, Jim Schwarzkopf, Doug Elliott and Cathy Redford.

A motion by Jim Schwarzkopf to approve the minutes of the April 1, 2008 meeting was seconded by Holly Bristol and carried.

Dick Moore of Paramount submitted a request for a banner to be placed on the front of the building celebrating Paramount's 20 years of business. The proposed banner will be 15' wide by 50" tall. After discussion on the size of the banner and length of time Paramount wants the banner displayed, Cathy Redford moved approval of the banner as presented for a period of 60 consecutive days subject to the City of Maumee's approval for the size and duration. Jim Schwarzkopf seconded the motion, which carried unanimously.

Adam Kral distributed the revised Certificate of Resolutions, which Joe Rideout prepared from the discussion at the last meeting. There again was discussion regarding specifying the properties affected by the expansion. Adam will contact Joe to make the necessary changes.

There being nothing further, the meeting adjourned at 8:45 AM.

Respectfully submitted,
Karen Barker
